BEAVER POINT COUPLE WED 50 YEARS AGO

By Review Representative

BEAVER POINT, Sept. 19.—On Wednesday, Sept. 11th, Mr. and Mrs. A. Alexander McLennan welcomed a large number of friends at their home at Beaver Point, B.C., the occasion being the anniversary of their golden wedding. Mr. McLennan was born in Inverness, Scotland, coming out to Canada in the year 1863, first settling in Glengarry County, Ontario, and later moving to British Columbia. He was married to Miss Elizabeth Dunn of Kingston, Ontario, in Victoria in 1879, coming to the Island about 48 years ago and making their home at Beaver Point. Unfortunately a daughter, Mrs. E. J. McLennan and family, residing in Portland, Oregon, and a son, Mr. A. E. McLennan, and his family, living in Bend, Oregon, were unable to be present. Other members of the family who attended the happy event were Mrs. Alfred Williams and family, Mr. and Mrs. William Stewart and family, all of Vancouver, B.C.; Mr. and Mrs. W. H. Lee and family, Fulford Harbour, B.C.; Mr. and Mrs. Douglas McLennan and family of Beaver Point, B.C.; and Mr. Murray McLennan of Vancouver.

The house was prettily decorated for the occasion with a profusion of seasonal flowers, the table being artistically arranged with streamers of gold, white and gold flowers with candlesticks to match, the centerpiece consisting of a beautiful three-tiered wedding cake surmounted with a miniature bride and groom.

Among the guests was Mrs. M. Cessford, Mrs. McLennan's oldest friend, they having been in constant touch with each other for the past 60 years. A dainty tea was served in the dining-room, Mrs. Alfred Ruckle and Mrs. Henry Ruckle in charge, assisted by Miss Dorothy Dewar and Miss Dorothy Marchison. Mr. and Mrs. McLennan were the recipients of many handsome presents, amongst them being a purse of gold, a gift from the members of the family. Rev. W. Allan, the United Church minister, made the presentation, with a few appropriate words, expressing the congratulations and good wishes of all present. Two appropriate glee songs were then sung, "For They Are Jolly Good Fellows," followed by Auld Lang Syne, everyone joining hands.

Among the guests were: Mrs. J. C. Dods, Victoria; Miss Dorothy Dewar, Victoria; Mrs. M. Cessford, Victoria; Mr. and Mrs. J. J. Russell, Mrs. T. Hillary, Mr. and Mrs. Alfred Ruckle, Mr. and Mrs. Henry Ruckle, Mr. Gordon Ruckle, Mr. and Mrs. Menhinick, Mrs. W. Paterson and Master Bobby Paterson, Mrs. F. W. Pyatt, Miss Pyatt, Mrs. G. E. Akerman, Mrs. J. H. Lee, Miss Dorothy Marchison, Mrs. Alfred Williams and family, Mr. and Mrs. William Stewart and family, Mr. and Mrs. W. H. Lee and family, Mrs. J. Mouat and Mr. Gavin Mouat, Ganges; Mrs. R. Toynbee and family, Rev. and Mrs. W. Allan, Mr. and Mrs. R. McLennan, Mr. and Mrs. Douglas McLennan and family, Mrs. T. M. Jackson, Mr. and Mrs. James Akerman, Mr. Frank Reynolds, Mrs. Frank Pyatt and others.

SIDNEY GIRL WEDS MAN FROM ALASKA

At a quiet wedding on Thursday, Sept. 12th, Rev. W. J. Sipprell of Victoria united in marriage Annie, eldest daughter of Capt. and Mrs. P. Peterson, well-known residents here, to Meyer P. Moldahl of Wrangell, Alaska. The bride was attended by her sister, Miss Alice Peterson, and the groom was supported by his brother, Chris. M. Moldahl. The happy couple left on the afternoon boat for Seattle where they will spend a short honeymoon. On returning to Sidney they will spend a few days here before leaving for Wrangell, where they will make their home.

YOUNG PEOPLE MET TUESDAY

On Tuesday evening the regular meeting of the Young People's Society was held in Wesley Hall with a very good attendance of members. Three new members were welcomed to the society, after which the business meeting opened. A letter was read from the Young People's Council telling of the forthcoming annual rally which is to be held this year on Thursday, October 10th, and it was decided that the society give it its full support. At the next meeting the conveners of the different committees will receive a list of the subjects and speakers that have been chosen for the coming winter, so that the work may be definitely arranged. The regular meeting next Tuesday will be in the hands of the Missionary Committee and the subject "Doubtful Hours."

The business meeting adjourned and Winnie Thornley gave a few minutes on "How To Give An Address," which was followed by some very interesting lantern slides depicting many well-known and interesting points in British Columbia, also of the British Isles.

The meeting was then brought to a close and a very exciting basketball game was indulged in.

Yesterday and Today

Thirty-five years ago the sixth of June last, in a jeweller's shop in a small town across the border, a young U.S. Government clerk, C. Francis Jenkins, using the machine pictured above, which he had just invented, staged the first public exhibition of moving pictures in America. The machine, known as the Kinetograph, was a small, box-like device with a hand crank on the side. It was used to project the images of the film onto a screen. Jenkins, who was a pioneer in the field of motion pictures, later moved to England, France, Germany, India, Australia, New Zealand, Brazil, West Indies, Central America, China, Japan, and some 2,500 in the United States.

MAYNE

By Review Representative

There was an excellent tennis tournament held on Mr. Hall's tennis court on Wednesday, Sept. 11th, in which members of different Islands took part. The play started at 11 a.m. with mixed doubles and there was some excellent play, the winners being Miss and Mr. Logan, from Port Washington. Then came the men's doubles, won by Captain Waugh and Major Scott. The ladies' doubles were well contested too and won by Miss Logan and Miss Everall. The day was beautiful and both players and lookers-on spent a most enjoyable day.

The last of the season of the Culzean Tennis Club was presided over by Mrs. West. Unfortunately several of the members were away in town, so there were not many there, but a very nice social afternoon was spent.

The draw for Club Championship semi-finals was as follows:—
Wm. MacLean vs. W. T. Sisson.
H. T. S. Hope vs. P. Hope.
The finals will be played on Sunday, Sept. 22nd.

SCOUT NEWS

TROOP

Last Saturday evening the Troop had a corn feed which was very successful. We want to thank all those people who so generously supplied us with corn.

During the evening Patrol Leader Howard Bull, on behalf of the Troop and Pack, presented Mrs. Goddard with a Scout Thanks Badge in appreciation of her many kindnesses to Scouting.

Richard Walker was presented with the Scout Swimming Cup for 1929.

Our program was greatly helped out by Mr. Tuttle with songs and stunts.

There will not be any Troop meeting next Saturday.

PACK

The Pack enjoyed their corn feed last Friday evening.

There will not be any Pack meeting next Friday.

During the last few days someone has broken one of the windows in the Scout Hall. Besides being very annoying it is also disheartening to all of us who are trying to make things go. It was quite probably an accident, but unless the one who did it will come forward and offer to repair the damage it means another expense to be taken out of our small fund.

If this person will be "sport" enough to do this we will all appreciate it.

LETTERS TO THE EDITOR

The Editor assumes no responsibility for the views expressed by correspondents. All letters must be signed by the writer, not necessarily for publication. Writers are requested to be brief and to the point.

To the Editor,

Saanich Peninsula and Gulf Islands Review, Sidney, B.C.

Sir:—In the account published in your last issue of the proceedings of the Sidney Board of Trade, no mention is made of what action the Board has taken in regard to the proposed closing of a road at Roberts' Bay, as advertised in the Review.

This is a matter of public interest, and as the Board of Trade is on record as opposed, on principle, to the closing of roads in the North Saanich district, the citizens look to the Board for a continuance of this policy, which has met with such success in the past.

Yours truly,
W. H. DAWES.

Mrs. C. F. Jackson, Marine Drive, is visiting her daughter, Mrs. J. S. Jost at Britannia Beach.

The regular monthly meeting of the Brownie Association will be held on Tuesday, Sept. 24th, in the Scout Hall, Third Street, commencing at 2.30.

The Misses Hazel Hill and Lilian Woods left on Tuesday for Seattle, where they will spend an extended visit.

Mrs. Sparrow and family, who have resided here for the past few months, left yesterday for Salt Spring, where they will make their home.

The cup donated by the late Constable Hadley for the garden and tree contest at the War Memorial Park was won by Fred Musclove, who has spent many hours of labor improving his plot. Mr. Toomer of the Sidney Experimental Station staff, acted as judge. Congratulations, Fred!

Mr. C. L. Grant of New Westminster spent a few days this week in Sidney.

Strange things happen these days! Take for instance the softball game last Wednesday evening at the War Memorial Park, Sidney, between the Harmony Girls of Victoria and the local girls. Everything seemed to go haywire with the local team, one would get the impression they had never played the game before. The city team worked like a machine and the score was awful—19 to 2 or worse, the score-keeper himself did not know just how many runs were chased around. The Harmony Girls were the champions of Victoria and they played like champions. Yet it appears they have their off days too. They travelled to Vancouver to play a sudden-death game with the champions there for the title and wow! who would ever think it—they were trimmed 18 to 1. Verily, circumstances alter cases and sometimes favor a monkey up a tree.

All local stores closed yesterday afternoon to take in the big fair at Saanichton. The weatherman dished out a fine day for the event and a big crowd was in attendance.

Mrs. Johnston, from the prairie, is spending a short visit in Sidney and is the guest of her cousin, Mrs. R. G. Hill, Fifth Street.

The members of the Ladies' Aid of the United Church took the contract for serving tea and refreshments at the exhibition at Saanichton on Tuesday and Wednesday of this week.

Mr. and Mrs. George Worthington, of Vancouver, were visitors during the past week at the home of Mr. and Mrs. F. King, Third Street.

Mrs. Fike returned to her home on Third Street last week after spending a short visit with relatives in Spokane.

During the past week an artist, Mr. Lopp, has drawn large crowds to the McKillican Supply Store to witness his rapid execution of scenic views which were later sold at auction. Mr. Lopp is an artist of unusual ability and his pleasing personality and straight business dealings made a big circle of friends for him in this district. Having travelled extensively he naturally has seen a lot of different places that are rated at having the very best climate. But he admitted freely that never had he enjoyed such a wonderful temperature, minus rattlesnakes, insects, electric storms, cyclones, tornadoes, etc., as we have on the Saanich Peninsula and Gulf Islands. Mr. Lopp's next stop is at James Island.

A number of Americans were in this district the early part of the week looking over desirable homesites. The fame of the Saanich Peninsula and Gulf Islands is becoming known throughout the United States as tourists go back and tell their friends about us. A number of people from the Canadian East are also in our midst looking over sites for homes. A little publicity on the prairie, to reach Canadians that are looking for ideal surroundings to spend the years remaining after a long stretch of hard work to enable them to retire, is in order right now. Why let them go to Florida and California when we have something superior to either places right here in the Canadian West!

Mr. Harry Warren, who has been spending the weekend with Mr. and Mrs. G. B. Goddard at "Sea Point," is one of British Columbia's sons of whom she may be justly proud. Taking his B.A. and B.Sc. at the University of British Columbia he was on the 1924-25 Canadian team and has just returned from his three years at Oxford where he took his B.A., B.Ph. and D.Sc. In athletics he won his full Oxford Blue and amongst his many successes he was the holder of the title of the Old Irish Sports in Dublin—equaling the time of Percy Williams. He was chosen to represent England at Olympia but an unfortunate oversight in registration prevented his running. He was made president of Queen's College Athletic Club and

elect member of the Achilles and Centipede Clubs. He has also won the Commonwealth Scholarship of California Institute of Technology, which carries with it \$3,000 per annum for two years and necessitates, amongst other things, a visit and study of conditions of every State in the Union. He is now on his way there to complete the course and will, we trust, be as successful there in adding to the laurels of Canadian Youth as he was in the Old Country.

"Salt Spring Island—the Switzerland of America," invites you to come once! No doubt about further calls afterwards, perhaps a home!

BEACON AVE. SIDNEY, B.C.

"The World's Mine Oyster," Said Falstaff

Cruise. Besides making her
 regular visits to the highlights of
 the Mediterranean, to India, Japan,
 China, Hawaii and other fascinat-
 ing places, her itinerary this time
 has been extended to include
 Athens in Greece, Peking and
 Bangkok in Siam, with further
 calls at Keelung for Taikoku, in
 Formosa. She will be gone 137
 days, visiting 81 ports and places
 in 24 countries.
 Athens is really three towns in
 one—the twisted lanes of the
 Acropolis were more than a
 Turkish village before the Greek
 War of Independence, the broad
 straight streets of the modern
 capital and the interesting ruins
 clustering round the Acropolis
 representing "the Glory that was
 Greece." The Parthenon, one of
 the most interesting ruins here,
 was chief among the buildings
 which Pericles adorned the Acro-
 polis about 450 B.C.
 Bangkok, the capital of Siam,
 was originally built on floating
 pontoons or piles on the river's
 edge, but nowadays well-planned
 roads and streets radiate from the
 city in all directions, beautiful
 Buddhist temples are scattered all
 over the town, and the Royal
 Palace is one of the show places of
 Bangkok.
 Keelung, the chief port of the
 island of Formosa, is a hive of in-
 dustry. Formosa is half the size of
 Ireland and is governed by the
 Japanese. In its northern fast-
 lived the headhunters. The
 Japanese campaign of subjugation,
 however, has all but wiped out
 the barbarous people. The real
 attraction of Peking is
 Peking. Here fleets of junks
 manned by coolies, transport the
 victors around the town, one of
 the chief attractions of which is
 the Peking opera, a form of
 drama where the world's most fan-
 tastic plays bloom in color.
